From Oxford University Press : **The Table Is Laid: An Anthology of South Asian Food Writing** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Table Is Laid: An Anthology of South Asian Food Writing:

This anthology of writings on food from a wide range of South Asian literary and non-literary sources, draws mainly

on writing in English including diaspora writers, but also includes translations from Indian languages.

[a] handsome book...a valuable addition to a literate foodie's library TLSAbout the AuthorJohn Thieme is Professor of English Studies at South Bank University.
