This book was smaller in size than I had expected, but it is big on recipes and pictures. Very pleased with this purchase!!

Thought it would have other recipes I did not have. But OK.

Filled with fresh ideas and superb photography, this book introduces creative cakes, bakes and preserves that will make every teatime a special occasion. And there are also plenty of low-fat options! With step-by-step instructions and stunning photographs, this is the only book on teatime indulgence you will ever need.
