**David DiResta, Joanne Foran : The Toaster Oven Cookbook (Nitty Gritty Cookbooks)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Toaster Oven Cookbook (Nitty Gritty Cookbooks):

2 of 2 people found the following review helpful. Five Stars By Customer Very good recipes, helpful for cooking for one or two people  
5 of 5 people found the following review helpful. Savory foods By Martini81 This is a very handy cookbook for those who enjoy cooking with a toaster oven rather than a conventional oven. Very good recipes and most do not take that long to make either.  
1 of 1 people found the following review helpful. Four Stars By Rebecca Furlong very nice product

This is a bright, modern update of the best-selling "Bristol" title. The toaster oven is enjoying renewed interest and sales, and this revised edition brings you more special techniques and safety tips, more basic instructional advice, and more great recipes! Use the "Toaster Oven Cookbook" to bake, roast, toast and broil with less time, electricity and cleanup. You'll find appetisers and snacks; vegetables and side dishes; meat, poultry and seafood entrees; sandwiches; and even quick and yeast breads - a breeze to prepare in a toaster oven. It's great for 1- or 2-person meals. As an Amazon customer says, this is "a very helpful book".

About the Author If it contains flours and grains, Donna Rathmell German has probably written a book about it! She is the leading expert on bread machine baking, and the author of many books on the subject, including The Bread Machine Cookbook series, The Pasta Machine Cookbook, The Best Pizza is Made at Home and The New Book of Waffles and Pizzelles.
