Over the past few months I have tried out multiple recipes in this "bake book" - from cookies to brownies to cakes - and they have all been winners. This weekend for the first time I made two batches of Kim's Mexican-chocolate brownies, one for a Cinco de Mayo party and one for a club meeting. They truly wowed everyone's taste buds. Multiple people said they were the best brownies they've ever tasted! And boy do I agree. Thanks Kim, and I look forward to visiting your Treats Truck when I'm in NYC!0 of 0 people found the following review helpful. Amazing book!By CallieCakesI bought this book for a friend that has a

baking blog. I have also graduated from cooking school. I can usually tell from the recipes if they will work or not. this book is great for the inexperienced baker. it has tons of recipes and easy to follow instructions. my favorite thing about this cookbook is in the back it has recipes for sauces, frostings and icings and right next to the recipe it gives page numbers for other recipes in the book that it would be compatible with. it is a great tool for those looking to spend more time in the kitchen and have amazing results0 of 0 people found the following review helpful. these recipes are so good, easy to understandBy Maybeyummmmmmmmm...these recipes are so good, easy to understand.... dieters beware!
