From Ten Speed Press : The Twinkies Cookbook: An Inventive and Unexpected Recipe Collection from Hostess before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Twinkies Cookbook: An Inventive and Unexpected Recipe Collection from Hostess:

1 of 1 people found the following review helpful. "Sweet" Addition to a Recipe Book Collection By MamaPoohI bought this to go with my Hostess Twinkie Bake Set. It is chocked full of different ideas and recipes submitted by folks like you and me who are lovers of baking (especially yummies). I wish all of the recipes included in the book though had pictures for the completed work. Only some of them do. Still, it is an enjoyable book to look through, experiment with, and try new things from. 0 of 0 people found the following review helpful. Don't bother By McEwanBoydRidiculous novelty item. This is marketed to be sold along with the Twinkie baking pan, but there were no practical recipes inside and certainly no recipe for how to make Twinkies from scratch. Fortunately the Twinkies baking pan came with a great recipe for basic Twinkies. 2 of 2 people found the following review helpful. Amazing Bit of Americana - Who Knew You Could Do All This With a Twinkie By Prettysmartideas This book is so good on several levels. You can goof on it: Who ever thought up these ideas? Why did they do it? You can read it for fun ideas of things to make with Twinkies for your next party. You can read it and appreciate the American spirit, which inspires people to take a very basic and generally well-loved sweet treat/junk food, and create the most amazing desserts with

it. I use it to show my foreign students a little of how we Americans approach life, with a humor and funkiness, and, I think, a basic lack of fear.

As part of Twinkies' seventy-fifth anniversary celebration, Hostess put out a call for recipes, asking people to share their ideas for cooking—yes, cooking—with Twinkies. Hundreds of people from across the country responded with an amazing bunch of inventive, homegrown, and sometimes wacky recipes. Nearly fifty of these unexpected creations—both sweet and savory!—are presented in this nostalgic and colorful collection. A delight for the whole family, THE TWINKIES COOKBOOK is the perfect snack for the Twinkie lover in all of us.

From the Publisher* The official Twinkies cookbook, showcasing hardcore fans' recipes for fun, new ways—sweet and savory—to enjoy Twinkies. * Includes more than 50 recipes and 20 full-color photographs. * Features a historical introduction to the Twinkie, complete with archival photographs and advertisements. About Twinkies: "The Twinkie is the perfect postmodern artifact, a pop culture staple."—Baltimore Sun "The genius of Twinkies is they are exactly what they are—amazingly simple and tres elegantes."—Jane Stern, coauthor of Roadfood "[The doctor] said it wouldn't hurt me, so I even ate a Twinkie in intensive care."—Ninety-year-old Twinkie-eating legend Lewis Browning, Washington Post Selected Recipes: Twinkie Sushi Twinkie Burrito Pigs in a Twinkie Pumpkin Twinkie Bread Pudding Peanut Butter and Jelly Twinkie Cake About the Author HOSTESS reg., maker of Twinkies reg., is one of Interstate Bakeries Corporation's premier brands. The IBC family also includes Wonder reg.; Bread and Dolly Madison Bakery reg;. The company is based in Kansas City, Missouri.
