I even varied the recipes somewhat (using a spice cake mix or a butter cake mix when the recipe called for white cake mix) and the results were fabulous. I might not ever have to mess with measuring out dry ingredients the old-school way again.0 of 0 people found the following review helpful. perfect dessert cook bookBy Dozer's momgood recipes to choose from5 of 5 people found the

StarkeyI have produced so many unusual bake-sale items by using this book, which cuts the prep time in half, and leaves a much less messy kitchen to clean up!! The ideas are endless, and I have not found one yet that didn't taste yummy.
