Nice!By Mrs. SibonaAll of these recipes can be found on the internet with a simple search, but I don't always have the time to actually do the searching. This books keeps all of the great recipes in one spot for me.0 of 0 people found the following review helpful. Poor excuse for a cookbook: not recommended.By Fitzie63Big disappointment for this little PAMPHLET (it's NOT a real cookbook). No table of contents nor index. Poor selection of inadequately written recipes.0 of 0 people found the following review helpful. Don't waste your money.By Sarah Howard HarrisonThis isn't a cookbook its more like a pamphlet. Very misleading. This isn't worth more than a buck. The cover is very misleading.
