Asian cusisine has been one of our favorite so we decidewd to try and learn to cook some ourselves instead of just eating out all of the time. This is definitely much different than a lot of what you see in the restaurants and certainly more authentic. Really a good cookbook and we've gotten a lot of use out it0 of 0 people found the following review helpful. Learn a lot you've never heard of.By tammieHuge book, heavy. Tons of information. A lot of recipes we may not use. But I like it.0 of 0 people found the following review helpful. Five StarsBy yellythis book came like almost new.its clean and nice,i l;ove it

This beautiful book is a must for adventurous cooks. Step-by-step photographs guide you through all 400 recipes, and suggested variations.
