bit disappointed that many things are not listed in the book however: There are no exciting noodle recipes, and I think there is only one spring roll recipe? It would also be nice to have more bok choy recipes?1 of 1 people found the following review helpful. Five StarsBy Customerokay2 of 3 people found the following review helpful. WonderfulBy NancyI've always loved Chinese food, but never really made much of it, and when I did it didn't taste authentic. This book has so many awesome recipes, and they taste like I got them from the take out place! The soups, rolls, and entrecute;es I've tried have been wonderful!
