Nice gift for a bakerBy poplemousselI bought this for a friend of mine who loves to bake with her daughter, and she seems to use it pretty frequently. I can't speak to the greatness or otherwise of the recipes inside, but I'm pretty sure if there was anything in

there she loved she would rave, and if she hated something I'd also hear about it. Therefore, seems like a pretty standard cookbook, just for cookies and I'm glad she is enjoying it.

There's nothing better than walking into a kitchen and being greeted with the smell of fresh baked cookies - except maybe eating those cookies. The Ultimate Cookie Book offers bakers the chance to explore 450 best kitchen-tested cookie recipes, from tried-and-true classics to unbeatable brownies to favorites that span the globe. Your baking success is ensured with a full-color baking and decorating guide-filled with ingredient information, tips, and techniques straight from the Better Homes and Gardens(r) Test Kitchen.
