are photos in this cookbook and some excellent recipes, BUT the photos are not the end product of these recipes. I gave this 2 stars, because there are a couple of recipes, that I cannot wait to make. Not for someone, who is looking for guidance. 0 of 0 people found the following review helpful. Three Stars By barbara s. The receipes are easy to read but not anything I found new. 0 of 0 people found the following review helpful. Save your money. Don't buy this book. By Sandy Kay Don't spend any money on this cookbook! I'm glad I read it through Kindle Unlimited so I didn't have to ask for a refund. The writing of the recipes is poorly done and the pictures don't match a lot of the recipes. I also didn't think the recipes were interesting or different enough to justify a separate cookbook. It would be a total waste of money to buy it.
