How is it a "dump" recipe? This is pretty much the recipe that's on the box. But, here's my most profound issue. After shopping and starting I notice mozzarella cheese is noted in step 8. Mozzarella is not listed in the ingredient list. Really? I'll "dump" this ebook right after leaving this review.1 of 1 people found the following review helpful. I really like the mouthwatering recipes in this dump dinner cookbookBy David RI really liked the mouthwatering recipes in this dump dinner cookbook. Dumping my food into the pot and slow cooking will definitely save my time during busy days. It has a great variety of simple yet delicious and nutritious recipes. Definitely a good addition to my cookbook collection. Can't wait to try all of the recipes!1 of 1 people found the following review helpful. Yum!By TracyThis book is interesting because all recipes are inspired by other people and Tom has tweaked them a little by mixing in his own personal flavor. Lots of great and delicious options in there. You should definitely try "Apple Pie Dump Cake Remix" and "Chicken Lasagna Dump Style" - 2 of my favorite inside the book ;)
