Nice selection of cookie recipesBy _CustomerIt's the dead of summer, well almost but the thermometer says it will be over a 100 degrees today, so cookie baking is not on my mind. If I were to bake though, I'd use some icebox cookie recipes to get the task done. The good thing about refrigerator aka icebox cookies is you can make the dough to bake later as the dough needs to be well chilled. This

means I can choose to bake early in the morning or later in the evening. The dough will be ready for me to use. While reading *The Ultimate Icebox Cookie Collection* by the Cooking Penguin I found a bunch of new recipes to try. Some of those recipes include: Cinnamon Swirl Cookies, Dulce De Leche Icebox Cookies, Classic Sugar Cookies, Chocolate and Coconut Pinwheel Cookies. There is an interactive table of contents making navigation easy. Recommend. Penmouse0 of 0 people found the following review helpful. Mix ahead, bake later! By Customer Recipes sound delicious, but I haven't tried any yet. Because my husband likes most cookies warm from the oven, I love recipes that can be prepared and frozen and then baked as needed. One thing is puzzling though, butter measurements are given in ounces instead of cups or tablespoons. 0 of 0 people found the following review helpful.
