Gordon Rock : The Ultimate Indian Cookbook: Indian Cooking Made Easy (Indian Recipes) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Indian Cookbook: Indian Cooking Made Easy (Indian Recipes):

3 of 3 people found the following review helpful. worth it just for the B-fast recipes.By gralanBeing a fan of Punjabi food, i was most pleased to find chole bhature on the menu offerings! thanks for this, very much.1 of 1 people found

the following review helpful. Spice level is just rightBy CarolineI've always had trouble getting the correct quantity of spices in my Indian dishes. Gordon Rock takes care of that problem for you. He has some excellent traditional Indian cuisine with an accurate quantity of spices laid out for you. Easy to follow directions. This is one cookbook I'll be using regularly.

What makes Indian cuisine so special? The secret is the aroma and flavor of India which has so many traditions and cultures, all amalgamated on the same soil. This Indian cookbook is designed with recipes that are considered to be on top of the popularity list. If you want to give yourself a try at Indian cooking, this is the first place you should start. This Indian cookbook will introduce a new way of homemade cooking and will make the Indian cooking experience fun yet easy. The method of preparing each dish has been summarized to make it clearer and more understandable to the reader. The quantity of spices used is balanced so that your meal is perfect according to every family member's taste. Be ready to journey deep into the heartland of India, where you will find some of the best Indian cuisine.
