Heilie Pienaar : The Ultimate Snowflake Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Snowflake Collection:

There is nothing more enjoyable than the aroma and taste of freshly baked foods. To experience this pleasure in your own home, The Ultimate Snowflake Collection includes a range of quick and easy recipes, from classic favourites to new and exciting treats. The book brings together an outstanding collection of sweet and savoury recipes for cakes, puddings, biscuits, tarts, pies, scones and muffins. The reader will not only find traditional South African recipes that our grandmothers used to bake, but will also discover recipes in keeping with modern trends, making use of new ingredients that have become well known and liked, such as sun-dried tomatoes and cranberries. Basic skills and readily available ingredients are required to prepare these recipes. There is no need for fancy equipment or outlandish, expensive ingredients, yet there are plenty of exciting ideas and new recipes to keep you inspired. For the novice baker

there are many detailed basic techniques, practical tips and variations intended to help you achieve delicious and beautiful sweet and savoury products every time.
