Mr. Steven Farber : The Unofficial Guide to the Beers of Middle-earth before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Guide to the Beers of Middle-earth:

The Unofficial Guide to the Beers of Middle-earth is my way of bringing the world of Middle-earth to life. By imagining and brewing the beers that might have been brewed and consumed by Tolkien's characters I have created a piece of that world for myself during the past 25 years. I would like to share what I have created with you. This book

is a great addition to the recipe collection of any brewer and is even suitable for beginners. It is not a book that teaches brewing.
