**Martin Yan, Keith Ovregaard : The Well-Seasoned Wok** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Well-Seasoned Wok:

1 of 1 people found the following review helpful. Martin Yan in prime form!By J. CallenDefinitely well worth the read as Martin's style is both informative and entertaining. His recipes are easy to follow, yet provide diversity and a broad range of tastes. Though one of his older books, his style is clear and formed - you can definitely see how it matures to today's form. To say that I'm a big fan of Martin's would be pretty accurate, but it's easy to become that after reading his cook books. bravo!0 of 0 people found the following review helpful. Good cook bookBy ThomasGood cook book.It is one a beginner in Chinese cooking can use while the more practiced cook can find good recipes to make.Recommend.0 of 0 people found the following review helpful. Five StarsBy Chris ProvostGreat Book Great Recipes to follow and cook

Great bood for wok recipes
