I bought this book because of the lovely personal touch, the storytelling, the family, the pictures and the easy to follow instructions. I've made numerous different styles of pizza and have now bought pizza stones to complete the total Italian style overall effect. Wonderful complement to grace any kitchen.0 of 0 people found the following review helpful. Honest PizzaBy D. ZurawskiGreat pizza book for pizza lovers.

A mouth-watering cookbook by master pizza chef, Theo Kalogeracos, the proprietor of Little Caesars Pizzeria, Mundaring in Western Australia. Theo Co. follows the story of Kalogeracos' Greek heritage, with tales of how his family, upbringing, evolution as a baker then pastry chef, and Italian mentor, Caesar Saraceni, shaped the evolution of

his pizza recipes.
