You don't need a kitchen full of fancy appliances or gadgets to prepare any of them. Some recipes are old family favorites with a twist and others are

refreshingly new. Both authors offer suggestions or experiences for every recipe, so it's like hands-on cooking with Mama gently guiding you. Enjoy results suitable for daily desserts, church suppers or that special event but know you won't be spending all day in the kitchen preparing any of these goodies. This book would be a great gift for a first time cook, an experienced cook who is looking for variations on tried and true desserts or anyone who needs something tasty without the fuss. Enjoy! 3 of 3 people found the following review helpful. Cheves and Lillian Mort have teamed up to teach you how to Think With Your Taste Buds. It's easier than you might think to make substitutions; they'll show you how to make it work.
