**Maria Cutie; a Nuntilde; ez Quesada : Tortas y pastelería; una tradicional (Spanish Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tortas y pastelería; una tradicional (Spanish Edition):

The fast pace of modern life means that the majority of cakes and pastries we enjoy come from bakeries and supermarkets. Even so, the unbeatable flavor of homemade baked goods is not out of reach. As the recipes in this book show, with just a little time and easy-to-find ingredients, anyone can bake homemade sweets that will please both kids

and adults.
