After a twenty-year haul traveling throughout the state's wine businesses, the result was this travel and reference guide for the avid wine connoisseur. The book breaks up each of Texas's 38 wineries into separate scenic drives, with suggestions on food/hotel accommodations and various other interesting pit stops along the way. The Houston Chronicle acclaims, "Here's a book that's been needed for some time: a book on Texas wines that also has 'trails' for travelers, plus recipes to go with the wines. This is a full-service book, not just another listing of wineries."
