**Phaya Sing : Traditional Recipes of Laos (English and Lao Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Recipes of Laos (English and Lao Edition):

Authentic Laos CuisineBy BerkeleyReaderIf you would like to prepare Laos food like that you would find in Luang Prabang, on the Banks of the Mekong, Pakse, etc, this is the book. Great recipes that include both the classics and obscure recipes. Good luck finding some of the ingrediants outside of South East Asia though. A very thoughtful approach from a Master Chef.
