There are not alot of them in the book so I was disappointed in that.0 of 0 people found the following review helpful. Best Cookie, Bar Brownie book EVER!By MELANIEAs a bookseller, I review tons of cookbooks and many baking books. Oddly enough so many of these books are labeled things like "The best 50 cookies bars" etc, but, truth be told, they aren't the best. This is a book I got brand new and was suppose to sell, but after reviewing the recipes and the matching photos, no way I am selling it!! If you look chocolate chip cookies, Peanut Butter, various yummy bars using choco chips, coconut and all the other truly delectable toppings, this book is for you. Every single recipe looks simply amazing. In ten years of selling books, this is THE book on cookies, bars and brownies. But it now, you won't be sorry!!0 of 0 people found the following review helpful. Some great new recipes!!! (for a change)By Andrew'sMomI lucked out and brought this book at a thrift store -- but it is chock full of great cookie and brownie ideas. There are some of the usual standbys but there are new ideas as well. I have the oven preheating now!The correct title of this book is "Treasury of Cookies Brownies".Some recipes include: Marshmallow Sandwich Cookies, Cocoa Snickerdoodles, Viennese Meringue Bars, Chocolate Pistachio Fingers, Cinnamon Nut Chocolate Swirls, Cherry Butterscotch Bars, Pear Blondies, California Apricot Power Bars.....over 250 recipes and 110 photos - well worth the 99 cent investment! I would have paid the "new" price now that I have it! May get some of these for gifts.Happy baking!
