1 of 1 people found the following review helpful. Very Varied RecipesBy ButtersI really enjoyed going through this book, but the author and translators assume you already know a lot of things beforehand, so if you don't have experience, don't buy this book. If you do have experience, even a little, you can get through it with some internet help.1 of 1 people found the following review helpful. Recipes not very practicalBy William SchuetteRecipes are generally unnecessarily complex and I will probably never try them.0 of 0 people found the following review helpful. this book is very easy to read and easy to use for your own ...By V.
