Cooking Penguin : Twenty-Five Perfect Pies: 25 Pies Perfect for Any Party or Special Occasion before purchasing it in order to gage whether or not it would be worth my time, and all praised Twenty-Five Perfect Pies: 25 Pies Perfect for Any Party or Special Occasion:

2 of 2 people found the following review helpful. Classic pie recipesBy _CustomerThe Cooking Penguin offers up 25 pie, or how to make pie crust recipes, and almost all of the recipes would be considered classics. There are some new-

fangled, some would say modern updates, to the recipes. I would consider the Cinnamon Roll Pie Crust a modern recipe and I suspect this would taste pretty yummy as an apple pie crust. Thinking about warm apple pie filling surrounded by a cinnamon roll crust does make my mouth water. Some of the other recipes you will find in this cookbook include: Key Lime Pie, Ice Cream Pie, Cranberry Apple Pie, Coconut Cream Pie. I am surprised a recipe for peach pie was not included in the cookbook. Peach pie is one of my all time favorite pies. The book has an active table of contents and there are lovely color photos throughout. Recommend. 6 of 6 people found the following review helpful. Nicely done, Cooking Penguin! By Kindle Customer This is definitely one of the better Cooking Penguin cookbooks. The grammar and spelling are very good. The book is well-formatted and easy to navigate. There are photographs for each recipe. Each recipe begins on its own page. The title is slightly misleading. There are, indeed, twenty-five recipes, but ten are for pie crusts and fifteen are for pie fillings. Overall, a nice little cookbook. 0 of 0 people found the following review helpful. Mmmmm!!! By Christy B. Lots of yummy-looking recipes!! I especially like the different pie crusts, so many great ideas. My son is definitely going to enjoy the Ginger snap pie crust. That one would be perfect to make with pumpkin pie!! I definitely recommend!!

Whether you are going to a church pot-luck, a work picnic or a simple family dinner, a pie is the perfect dessert to bring with you. There is something about the combination of a light, flaky crust and a warm, sweet filling that tickles the taste buds and satisfies the sweet tooth. Even if you are not into sugary sweets, there are still a number of pie recipes sure to strike your fancy. From classics like traditional apple and pumpkin pies to chocolate walnut and banana cream, there is a pie for every taste. Not only are there a variety of delicious pie recipes to choose from in this book, but you will also find a number of unique pie crust recipes as well. Pick and pair your favorite filling and crust to create a delicious combination you and your family will love. You may even love these recipes so much that you find yourself using a new pie crust in your favorite old family recipes!
