Better Homes G.. : Ultimate Casseroles Book by Better Homes Gardens [Paperback] before purchasing it in order to gage whether or not it would be worth my time, and all praised Ultimate Casseroles Book by Better Homes Gardens [Paperback]:

0 of 0 people found the following review helpful. Yummy Recipes!By fruitloopI've collected Better Homes Gardens cookbooks for years, and this one is awesome. It features over 400 recipes that your family will enjoy for years to come. Most recipes feature ingredients that you're likely to have on hand without a special trip to the store. Quick, easy and delicious meals are at your fingertips.The book has suggestions on what cookware to buy and use, and how to freeze casseroles for later use. This is a handy tool when you want to take a "freezes beautifully" casserole to a new mom, a bereaved friend or someone who is recuperating from an illness or injury.I particularly liked the Butternut Squash with Almonds, and can't wait to try the rest of the tempting recipes in this book.
