And I would love to try the juicing and smoothies at home but I've been thinking of how to start. And this book is the ultimate guide for both. I like how this book is really for beginners because it helps you decide what best, popular juicer that you can purchase. What you cannot juice. How to wisely pick a fruit. And going organic juicing is the best of all. Smoothies recipes are great. Worth trying and of course a total keepsake!0 of 0 people found the following review helpful. "My friends recommended this book to me and reading this book is such a great choice. This book contains recipes that are easy to make. Two thumbs up! Fantastic book!"-- Alesha F."I enjoy a good healthy smoothie but haven't had much luck find good recipes. This book is chock full of them. Not only are there recipes for the smoothies but there is also a ton of good information on how to improve your health and lifestyle in general. I would recommend this book to anyone looking for a better lifestyle."-- Ziggy Cheshire"Wow! This book is a must! Linda Westwood has mastered yet another great book on health and diet! I absolutely recommend it to everyone who either would like to detox, lose weight or just begin a healthy day!"-- Demetra S. Gerontakis"I have always been a little skeptical of smoothies because I have a thing for delicious food. It was my doctor who recommended me to buy this book as he said, it would change my opinion on smoothies. True to his words, I am now hooked to green smoothies and I love having? them all the time. Needless to add, it has helped my health too. Love it!"-- Alan K."This is a great smoothie recipe book! The author gives us a detailed recipe list with a list of health benefits for each. I really appreciate all the effort that went into this book and I will definitely come back to it! Would recommend to all the smoothie lovers out there!"-- Patrick GaboAbout the AuthorLinda Westwood is a #1 Best Selling author of various books about weight loss, dieting, exercise programs, and everything nutrition.
