**Warren Brown : United Cakes of America: Recipes Celebrating Every State** before purchasing it in order to gauge whether or not it would be worth my time, and all praised United Cakes of America: Recipes Celebrating Every State:

1 of 1 people found the following review helpful. Going away gift for our French friends  
By Gail We were looking for a book that would give some information on the 50 states and also some recipes - specifically baking: cookies or cakes. This book really hit the mark and was a big hit with our NATO neighbors who are now returning to France after 3 years here in the U.S. The only disappointment for me was that I did not pay close enough attention to the fact that this particular vendor listed the book as an "overstock" ( maybe a "remnant") ..... so the top of the book was discolored with a round permanent black marker dot. As a gift, I would have preferred it to be perfect, but I ordered the least expensive without really paying attention to the fact that it was a "closeout" -- can't remember the exact description, but it should have made me perhaps order from a different seller. Great book!  
1 of 1 people found the following review helpful. Ultimate USA dessert guide!  
By lollo2011 Bought this as a present for a pastry chef friend of mine back in Italy! Quickly went through it and I loved the fact there were several dessert recipes for each US state! Few days ago I've got an email from my friend saying he totally love it and tried out a lot of recipes! So, take it from a non-expert, but guess I got it right!

By A. Bowthorpe We have a cake thing going on in our family

and loved the United Cakes of America recipes!

Loving cake is a natural part of Warren Brown's constitution. Now, in order to form a more perfect union of flour, eggs, butter, and sugar, he's offering his unique take on classic dessert recipes from all fifty states, plus Puerto Rico and Washington, D.C.

From Publishers Weekly From Baked Alaska to Florida's classic Key Lime Pie, restaurateur and cookbook author Brown (CakeLove) takes readers on a cross-country cakewalk, stopping for plenty of lore, local ingredients, and other sweet desserts (like cupcakes, scones and pralines). Divided into four regions (including Alaska, Hawaii and Puerto Rico), Brown's collection is a pleasant mix of the expected-Boston Cream Pie, Coca-Cola Cake from Georgia, Mississippi Mud Cake-and inspired niche desserts like Vermont's Maple Creme Brulee, Maryland's multilayered Smith Island Cake, Tennessee Mountain Stack Cake, and Avocado Cupcakes from (where else?) California. Brown does a commendable job helping cooks along with clearly written though occasionally complex recipes, all but ensuring a perfect Lady Baltimore, Margarita Mousse, or St. Louis Gooey Butter Cake. Rounded out with ephemera ranging from frosting tips to biographies of the king and queen of box mixes (the real Duncan Hines and the fictional Betty Crocker), this coast-to-coast compilation is a sweet home-baked slice of Americana. Copyright © 2002; Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. About the Author Warren Brown left a career in law to pursue his love of baking. In 2002, he opened his first bakery, CakeLove, and he now has seven shops in the greater D.C. and Baltimore areas. The author of *CakeLove: How to Bake Cakes from Scratch*, he lives with his wife in Washington, D.C.
