I have been watching the show in Sweden, and everything is beautifully done, and the stories of where he visited in the U.S. are great (even if LA is my hometown, so I could be a bit biased). There are some recipes for staples like banana nut bread, that I've always loved and never made, and a wide range of cakes and

pies. I'm very happy with this purchase!0 of 2 people found the following review helpful. You are the bestBy fatemaClear ,charming,unique.keep going Roy0 of 3 people found the following review helpful. Five StarsBy Shawn GenowayExcellent book! Great recipes...
