Daniel Shumway : Utica Beer:: A History of Brewing in the Mohawk Valley (American Palate) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Utica Beer:: A History of Brewing in the Mohawk Valley (American Palate):

1 of 1 people found the following review helpful. FASCINATING INFO DETAIL! By Slainte! An outstanding read for those passionate about the rich, storied history of CNY/Upstate's golden years of brewing. As an avid collector of

respective "breweriana", it has proved an invaluable information resource as well (not on the actual collectibles, but regarding the ages and chronology of the breweries which helps determine rarity of certain pieces). Makes for a great gift to fellow "hop heads" as well! Highly recommend. 0 of 1 people found the following review helpful. Five Stars
By Wilbur R Ralph
I am very happy with the quality and substance of the book.

Riding the wave of industries brought by the Erie Canal, Utica experienced a tremendous boom in the nineteenth and early twentieth centuries--and it was all fueled by beer. Thirsty laborers lubricated their days with after-work ales and lagers made by crafters like the Oneida Brewing Company and Gulf Brewing Company. Brewing was a Utica industry in its own right, boasting more than forty breweries operating since 1801. Prohibition nearly sounded the death knell for the trade, but the Matt family's West End Brewing Company endured, becoming the first in the country to commence brewing in 1933. Thanks to their Saranac beer, the craft beer movement is old news for residents of the Handshake City, who have been enjoying these local favorites for more than 125 years. Join beer scholar Daniel Shumway as he explores the hoppy history of Utica beer.

About the Author
Dan Shumway is a beer and memorabilia collector and historian of breweries in Upstate New York. He is a member of Beer Collectibles Club of America, Eastern Coast Breweriana Association, American Breweriana Association, Herkimer County Historical Society, and president of the Officer Suds Chapter of BCCA. He frequently attends brewing festivals and conferences.
