**Lori Butler Carter : Variations on a Theme: Whole Grain Muffins** before purchasing it in order to gage whether or not it would be worth my time, and all praised Variations on a Theme: Whole Grain Muffins:

Recipes are like music. Each ingredient adds its own notes to the melody of the final product. Musical pieces that take a single melody and present it in different ways are often called "variations on a theme". "Variations on a Theme:

"Whole Grain Muffins" is a cookbook that presents a basic muffin recipe followed by 60 variations. The recipes are grouped into four categories: Relatively Normal, A Little Odd, Filled, and Layered. With recipes that range from Cinnamon Raisin to Gingerbread to Banana Split to Strawberry Cheesecake, you are sure to find a muffin you will love!

About the Author Lori Butler Carter has been making muffins for her friends for years. After many requests for her recipes, she has finally gathered them together in this comprehensive and unique muffin cookbook.
