**Aroona Reejhsingani : Vegetarian Wonders from Gujarat** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vegetarian Wonders from Gujarat:

2 of 2 people found the following review helpful. super bookBy kkcIt has all the authentic gujarati recipes. Easy to follow, especially if you are an indian. All text is in english, but the names of dishes and some ingredients use the gujarati name (but still written in english) e.g. "Gol papadi". Well worth getting.
