Tracey Lister, Andreas Pohl : Vietnamese Street Food before purchasing it in order to gauge whether or not it would be worth my time, and all praised Vietnamese Street Food:

0 of 0 people found the following review helpful. The pictures are fine and so are the indexes and table of contents
By Cris Brady
I just got this book, and the recipes look delicious. However, the writers must have to pay the ink bill for the books as the text is printed on a very thin light gray ink. You know how when your printer toner is almost gone and you're trying to eke out a just a few more pages? that's this book's standard text. It's a real hard read for my aging eyes even in bright light, let alone the kitchen. The pictures are fine and so are the indexes and table of contents. Why they picked this font and color for their main text is a mystery. I may have to go find a 20 year old to read it to me :)

We were looking through products and found this book and purchased this cookbook. We've been very pleased with what the cookbook offers
0 of 1 people found the following review helpful. Four Stars
By Mollie
This made a great gift.

As any traveller to Vietnam will know, the street food is second to none in terms of its diversity, great taste and availability. Vietnam is a real foodie's destination - and nowhere is it more vibrant than among the hustle and bustle of

the streets. Vietnamese Street Food gives you an insider's view of the country and features over sixty well-loved and authentic recipes, from the ever-popular pho to prawn rice paper rolls and the tangy, crunchy peanut-studded rice balls favored by snacking students. With stunning food photography of every dish and complemented by evocative location photography, Vietnamese Street Food provides an unforgettable insight into Vietnamese street food and culture that will inspire both the home chef and the armchair traveller.

"Sure to appeal to anyone with an interest in south-east Asian food. . . . The photography is evocative enough to make you want to jump in and pull up one of the plastic stools with a cold beer. One of everything, please."nbs; mdash;Age
