Ghigo Press : Vinifera: The World's Great Wine Grapes and Their Stories before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Vinifera: The World's Great Wine Grapes and Their Stories*:

1 of 1 people found the following review helpful. Wine Grapes made simple. By Daniel Bailey American of all ages are finally going bonkers for wine and these index cards are a great tool to understanding the often confusing world of wine. The wine world is so vast and there is so much information out there about wine. Until recently many of the most published wine writers have been from England or France where their style of writing has been too proper, complicated, and old for the American reader. These cards keep it simple. There are pictures of the grape varietal on one side of the card and concise information about the grape varietal on the other side of the card, with flavor profile descriptions, dna history, and food pairings. Also, each card is glossed to prevent fading. When you feel that you are in a rut, sticking to the same ol' grape varietal you know you like, always drinking chardonnay or always drinking pinot noir; after reading these cards you will be excited to look for other varietals you were previously weary about, plus you will have confidence at your local intimidating wine shop. In short, these cards can introduce you into new and exciting varietals while impressing your friends with your enthusiasm and knowledge along the way. If you are wine lover and you want to find out more basic information about wine I also recommend Oz Clarke's *Grapes and Wine*, Dara Grumdahl's *Drink This : wine made simple*, Kevin Zraly's *Windows on the World*, and anything from Andrea Immer Robinson. Check to see if these books are available at your local library first, then if you love them buy them on .0 of 0 people found the following review helpful. Must have for wine lovers! By Heemanshu This has been my ready reckoner for all queries on grape varietals. Using them for years now and has never disappointed. I took it to some of the tastings that I attended and conducted and would pull out the card on the grape varietal tasting and share them with friends at the table. It would add so much to the wine experience. Totally worth it! 0 of 0 people found the following review helpful. Great Learning Tool By Mona Sampson These cards have beautiful photos and are filled with great information about each of the varietals. Bought a second pack to send to my sister who is a wine fan too!

Boxed Wine Grape Reference Card Set of 52 Wine Cards. This is our 3rd edition, revised and updated with the addition of seven wine grape cards. *Vinifera, The World's Great Wine Grapes* is a serious wine education tool in use with many sommelier training programs. *The World's Great Wine Grapes* is a handy reference deck with beautiful and rare photos of 52 different wine producing grapes. The boxed wine grape reference deck measures 2.5 inches by 6 inches. Ghigo Press is a happy member of The Green Press Initiative.

"The lore and histories surrounding each category; wine, coffee, and spices, read something like a National Geographic special meets an Indiana Jones movie. The "World's Great" series is a must have for any foodie or oenophile's collection." -Andy Arons, CEO Gourmet Garage "If I could remember even a fraction of the information on Ghigo Press' new food and wine guides I'd be a total food geek." -Jolene Thyme, SAN JOSE MERCURY NEWS *Vinifera: The World's Great Wine Grapes and their stories* are simply fascinating. This collection of photos, histories and lore are interesting and intriguing. Wonderful information." -Sharron McCarthy, VP Wine Education - Banfi Vintners "Ghigo Press gourmet reference decks will enlighten the novice and fascinate the expert. Beautiful to look at, elegant and packed full of serious wine, spice and coffee education, facts and history." - Italian Wine Food Institute, Pres. Dr. Lucio Caputo About the Author A member of The Green Press Initiative, Ghigo Press is an independent author/publisher and purveyor of wine, spice, gourmet and coffee education and Jazz books, decks, wine posters and wall calendars. All of our research is authored in house, and all of our photographs are shot by us as well. All graphic design is done in house. We print on recycled papers and support the green press initiative. I am a member of the Society of Wine Educators. ghigopress.com With a love of wine, cooking music, history and botany we began our small company and hoped to share our historical and botanical research with wine, spice and coffee lovers. Our reference decks are excellent wine gifts, but are meant to be a handy reference to be referred too often at the table, in the kitchen, or in the armchair. Hopefully if you

get the chance you can actually bring the vinifera deck along with you to a tasting or better yet into the vineyard!Our wine coffee and spice education lines include:VINIFERA, The World's Great Wine Grapes and their storiesnbsp;boxed reference deckSPICE, The World's Great Flavors and their stories boxed reference deckCOFFEE, The World's Great Recipes, Stories and Historiesnbsp;boxed reference deckVINIFERA, The World's Great Wine Grapes and their storiesnbsp;2013 Wallnbsp;Wine CalendarSPICE, The World's Great Flavors and their stories 2013 Wallnbsp;cooking CalendarCOFFEE, The World's Great Recipes, Stories and Historiesnbsp;2013 Coffee Wall Calendar BEER, The World's Great Stylesnbsp;2013 Beer Wall CalendarJAZZ 2013 Calendar, The Defining Artists of Jazz, Their Thoughts, Words and Stories and MAESTRONnbsp;The Great Classical Composersnbsp;their music, words and storiesnbsp;2013 Music Wall Biographynbsp;Calendar ALL CALENDARS PRINTED IN CALIFORNIA USA on FSC MANAGED RECYCLED PAPER WITH SOY INK.
