Cooking Penguin : Wagashi and More: A Collection of Simple Japanese Dessert Recipes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wagashi and More: A Collection of Simple Japanese Dessert Recipes:

4 of 4 people found the following review helpful. Start with DessertsBy MEGURAI recently started to prepare more

Asian foods for my husband (he's Japanese from Hawaii). Playing it safe, I started with desserts. This book is great - a lot of fairly simple and familiar favorites from my husband's youth. Recommend highly.2 of 2 people found the following review helpful. Kindle OrderBy SorianThe delivery was electronic, and the book was exactly what i was looking for, all very simple, basic and easy to make and a very quick way to remind me of home.2 of 2 people found the following review helpful. Was looking for a book to make the desserts I liked in JapanBy Customer BigTruthA collection of simple Japanese desserts. Was looking for a book to make the desserts I liked in Japan, and this book has it at a very good price.

In Japan, sweets and other confectionery are not traditionally eaten to end a meal. Wagashi were traditionally eaten with tea or as a small snack in the middle of the day. With the coming of foreign influences, the Japanese have also developed several Western-type desserts that are now a part of the typical Japanese meal. The Japanese have a naturally sweet tooth and this is quite evident in the varied array of sweets, desserts and other confectionery that you can find in Japan! *Wagashi and More: A Collection of Simple Japanese Dessert Recipes*, will let you experience the wonderful world of Japanese sweets with its 35 easy-to-do and delicious recipes!
