Kate Cone : What's Brewing in New England: A Guide to Brewpubs and Microbreweries before purchasing it in order to gage whether or not it would be worth my time, and all praised What's Brewing in New England: A Guide to Brewpubs and Microbreweries:

0 of 0 people found the following review helpful. Loved the bookBy mark I scheierGreat resource!! Every beer lover should read. can't wait for Kate's new book. We will be starting our brewery tours0 of 0 people found the following review helpful. Great guide to breweries in New EnglandBy Virginia WrightKate Cone's "What's Brewing in New England" is a great guide to breweries in the New England area. As well as to various area attractions near the breweries she lists. Kate includes recipes, and helpful tidbits...such as, State Department Of Tourism Addresses. She also notes that if you want to visit the brewpubs microbreweries during the winter when they're slowest, that you are welcomed with open arms and full pint glasses (or mugs). Cheers, Kate!-Virginia Wright-Author, Food Blogger[...][...]3 of 3 people found the following review helpful. The Brew Pub BibleBy John PompeoIf you appreciate a quality beer as much as I do, then this is the book for you. Not only does this book introduce you to all the delicious craft brews of New England, but a little history of each Pub is provided, along with the food each offers. Many attractions in the area that make each city and town of New England unique are also mentioned. (Visiting them also develops a tremendous thirst). You can't enjoy a Brew Pub restaurant unless you can find it. Reading "What's Brewing in New England" will accomplish your goal.

What's Brewing in New England is the only up-to-date guide to the region's dozens of brewpubs and microbreweries in print today. Kate Cone's definitive guide also points beer aficionados and their traveling companions to other attractions contained in those towns and cities -- museums, shopping outlets, activities geared toward the kids -- plus recipes for some of your favorite "pub food." Put on a pot of Gritty McDuff's Bly Fly Stew, pour a pint of your favorite microbrew and plan your next New England (beer) vacation!

Grab this book, a designated driver, and a few fistfuls of cash, and head out to experience the singular pleasures New England brewers have prepared. -- Al Diamon, editor, Casco Bay WeeklyHandsomely designed and produced. . . takes the reader on a state-by-state tour of New England's craft brewers. -- Yankee Brew NewsIf you love fresh beer and enjoy traveling in New England, leave out a pair of socks and pack this guide in your suitcase. -- The Day Newspaper, New London, CTNew England's natural and cultural attractions and the growing beer culture there, make this book a necessary and enjoyable guide. Buy two -- one for a friend! -- The Celebrator Beer NewsThis is the most comprehensive guide to New England's beer scene. Well-written, informative, witty. Without peer. -- All About Beer MagazineFrom the PublisherThe growth popularity of microbreweries and brewpubs in New England has led author Kate Cone to compile this guide to over 100 such enterprises where visitors may sample custom beers, ales, porters and stouts. Included are specialty recipes from the brewpubs and descriptions of nearby points of interest.From the AuthorThree's a charm! After three years, What's Brewing in New England remains the only book that will put some of the best-tasting, hand-crafted microbrews in a pint glass for your savoring! There have been some changes in the microbrew scene -- a few places have closed, usually due to undercapitalization -- but the good news is that new faces have taken their places and add to your choices of places to go for real beer and good eats! I can point you to right resources, online and print, to fine tune your enjoyment of New England's brewing scene.
