I recommend it for anyone who loves Chinese food.1 of 1 people found the following review helpful. chinese cookingBy T. MillerReally great cookbook, easy to follow instructions and great illustrations with great tasting results. Haven't tried everything but the things we have made are delicious and easy. Haven't had one recipe that we haven't enjoyed, although we do have favorites!0 of 0 people found the following review helpful. good recipesBy miahappy with the book, price and content haven't had a chance to make anything from it yet but recies look good, and price was great.

This comprehensive and inspirational cookbook evokes the true taste of China. Chapters cover soups and starters, main courses, vegetables, rice and noodles, and desserts. Balances exciting new ingredients and recipes with a wide selection of traditional favorites. Includes 120 easy-to-follow recipes, each illustrated with full-page color

photographs. The What's Cooking series also includes: Baking, Barbecue, Chicken, Chocolate, Indian, Italian, Low Fat, Pasta, and Vegetarian.
