Makes an excellent gift. 2 of 3 people found the following review helpful. Best Beer Guide By Dr. Beer Joe Sixpack's new book is a compendious, informative, and entertaining guide to the world's beers. The style is witty and irreverent. Joe likes beer and he wants you to like beer. He makes no effort to awe you with his beer erudition (which is indeed awesome). The book gives flavor notes, historical anecdotes, interviews with brewers, and check lists of commercial examples of 51 styles of beer. Each gets about four pages. But there is more fun and useful information in those four pages than you can get in whole chapters of "serious" beer books. Joe makes you feel as though you can taste the beer. All this without a single photograph of a beer label, a tap handle, or a bar maid. Everyone who cares about good beer will enjoy What the Hell am I Drinking.

A guide to beer styles, with essays by America's leading beer writer, Don Russell (a.k.a. Joe Sixpack) and checklists of more than 1,000 different beers.

About the Author Joe Sixpack is Don Russell, an award-winning Philadelphia newspaper reporter and one of America's best-known beer writers. He writes a weekly beer column for the Philadelphia Daily News and is the author of two previous books: Joe Sixpack's Philly Beer Guide: A Reporter's Notes on the Best Beer-Drinking City in America (Camino Books). Christmas Beer: The Cheeriest, Tastiest, Most Unusual Beers of Christmas (Rizzoli Universe). He's also the executive director and co-founder of Philly Beer Week, the world's largest beer celebration of its kind.
