Shannon Keenan Greene : Whispers from the White Cave Indian Cookbook: Delicious Secrets of South Asian Cooking from the Hindu Kush to the Indian Ocean before purchasing it in order to gage whether or not it would be worth my time, and all praised Whispers from the White Cave Indian Cookbook: Delicious Secrets of South Asian Cooking from the Hindu Kush to the Indian Ocean:

An Indian cookbook with high quality authentic photography and recipes from India and its neighbors, the greater South Asian community. The recipes are simple and simply described, but all have been kitchen tested countless times and are delicious. An attractive book that would make a nice gift, and it is a timeless kitchen staple.
