5 of 5 people found the following review helpful. great book, recommend to use metric measurementsBy
VanillaBeanThis is a wonderful book. We spent quite some time browsing through the beautiful pages and deciding which recipes to try first. Our first attempt of the mocha whoopie pie did not quite work, but not to be discouraged, we tried the cardamon and clove whoopie pie second. We realized that the author's background is from Europe, so we decided to work with a scale and use metric measurements for the ingredients. It worked perfectly! We also thought that the size of one whoopie pie (the recipe was for 12 of them) was quite large, so we made each a little smaller such that we ended up with 18. We are looking forward to exploring other recipes, the whoopies so far are a big hit with

everybody in our family!0 of 0 people found the following review helpful. Great Recipes!By Elizabeth BarnesMy friend loves whoopee pies. I purchase this book to get recipes to surprise him for his birthday. There are a lot of great recipes in this book. I tried 3 random recipes and they all turned out perfect. The recipes in this book were easy to follow. The little cakes for very moist and tasty.1 of 1 people found the following review helpful. beautiful and the recipes are the bestBy Limorbeautiful i wish the book was a little more small but its a great book with lots of recipes and ideas
