Murdoch Books Test Kitchen : Whoopies: More Than 50 Fun Cakey Biscuit Recipes. before purchasing it in order to gage whether or not it would be worth my time, and all praised Whoopies: More Than 50 Fun Cakey Biscuit Recipes.:

Move over cupcakes and macarons, here come whoopies - the next big thing in baking! Make Me: Whoopies will introduce readers to the American cakey-cookie taking the world by storm. From classic flavour combinations such as double chocolate, pumpkin and vanilla, to more playful recipes such as green tea and cherry, rocky road and banana split, this book will introduce new and enthusiastic bakers, even those with limited skills, to the wonderful world of whoopies. Packed with simple recipes suitable for beginners, exciting decorating ideas and a basics section that will make creating your own personalised whoopies a breeze, Make Me: Whoopies is the perfect addition to any baker's kitchen.
