I like that each recipe has suggestions for variations. The book includes general tips for making muffins. Some of the muffins are sweet for desserts or breakfast. (My family especially loves the the chocolate chocolate-chip muffin. Some are for savory muffins that I like to pair with soup or sald to round out the meal.0 of 0 people found the following review helpful. Five StarsBy Nicki McIntyreBest little muffin book EVER! Had been searching for a second copy that was affordable.0 of 0 people found the following review helpful. Four StarsBy kayethe book was not as clean as I expected it would be
