Rosie Belton : Wild Blackberries: Recipes Memories from a New Zealand Table before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Blackberries: Recipes Memories from a New Zealand Table:

A delightful cookbook-cum-memoir that explores, decade by decade and era by era, what New Zealanders eat and how that food defined a country "The preparation of food, the smells and tastes and textures, have accompanied me throughout the journeys of my life. In fact, looking back the food memories have become the marker postsmdash;defining boundaries in the years, demarcating the challenges and the changes. In times of joy, food has

enhanced the celebration; in times of sadness, it has colored and comforted. And in times of anxiety and emptiness its preparation has given rhythm and meaning to the day, and its offering to others continues to bring a sense of accomplishment and fulfillment. When all else fails—cook!" In *Wild Blackberries* Rosie Belton has written not only her own story but also a social history of food in New Zealand. Decade by decade, era by era, she looks at what they ate, and how that food defined them. Includes metric measures.

About the AuthorRosie Belton is a drama teacher, director, producer, businessperson, and the author of *Just a Bang on the Head*. Margaret Mahy (1936–2012) was a children's author and a recipient of the Carnegie Medal and Hans Christian Andersen Medal.
