**Alan Dunn : Wild Flowers (Sugar Inspiration)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Flowers (Sugar Inspiration):

1 of 1 people found the following review helpful. delightfulBy martiThis is perhaps one of my most favorite books on gumpaste. The flowers illustrated are difficult to find elsewhere. Alan Dunn is quite skillful in transferring what he sees to a decoration for a cake. Wonderful.5 of 5 people found the following review helpful. Very informative!By R. SutterbyI am very pleased with this book. I am making gumpaste wildflowers for an upcoming wedding cake competition and this book is exactly what I needed. Very beautiful flowers and nicely written instructions.

Crisp, clean, perfect, unread copy
