Daniel Shumski : Will It Skillet?: 53 Irresistible and Unexpected Recipes to Make in a Cast-Iron Skillet before purchasing it in order to gage whether or not it would be worth my time, and all praised Will It Skillet?: 53 Irresistible and Unexpected Recipes to Make in a Cast-Iron Skillet:

0 of 0 people found the following review helpful. I love reading cookbooks and when I saw one just for ...By Sara RiceI love reading cookbooks and when I saw one just for the cast iron skillet, I thought this one could be fun. I have already made one of the recipes and I know I will be making a lot more. It is nice that it's all about the cast iron and there are recipes you could never think could be made in a skillet. For example, can you believe you can make popcorn with clarified butter? Well, you can!1 of 1 people found the following review helpful. Really good recipesBy Carole DyerThis book is filled with many really good recipes. Great for people wanting to cook more with cast iron.0 of 0 people found the following review helpful. Mostly simple, delicious and clever recipesBy M. BabcockA fun, new twist on cooking with cast iron skillets. I was looking for some new ideas for all sorts of dishes and this cookbook definitely does!

Discover a new world of cast-iron cooking. From Dan Shumski, who last applied his out-of-the-box food-loving sensibility to *Will It Waffle?*, here are 53 surprising, delicious, and ingenious recipes for the cast-iron skillet. Savor the simplicity of *Toast with Olive Oil and Tomato*, because you just can't achieve that perfect oil-toasted crust in a toaster. For *Homemade Corn Tortillas*, no special equipment required—use the pan to flatten and cook them. (Then serve your tortillas with *Single-Skillet Carnitas* or *Charred Tomato Salsa*—or make *Chilaquiles*.) Take popcorn to another level with clarified butter. Enjoy a *Spinach and Feta Dip* that stays warm from the residual heat of the pan. Plus pastas that come together in one skillet—no separate boiling required; perfectly charred roasted vegetables; beautiful breads and pizzas; and luscious desserts from a giant chocolate chip cookie to the sophisticated *Layered Crepe Torte with Dark Chocolate and Raspberry Jam*. Includes detailed information on buying, seasoning, and caring for your cast-iron skillet—and turning it into a nonstick kitchen workhorse.

About the Author Daniel Shumski, author of *Will It Waffle?*, is a writer and editor who has hunted ramen in Tokyo for the *Washington Post* and tracked down ice cream in Buenos Aires for the *Los Angeles Times*. He lives in Montreal, where his French is still a work in progress. nbsp;
