0 of 0 people found the following review helpful. Wilton Cake Decoration 2000 Yearbook By Brenda Perkins Wilton teaches the easiest and best methods. I took ALL Wilton classes and honestly I can do anything now with cake.
4 of 4 people found the following review helpful. Used again and again. By c Like the previous reviewer, I agree that the book is very much a catalog and not a tool for teaching. But I have to stress that if you love to decorate cakes and are looking for new ideas and what is current in the cake decorating world, than this is a book for you. I have looked at the book countless of times, and it has lots of ideas for holidays, baptisms, wedding, graduation etc. It is a really nice book to look at, I can't tell you how many times I have used this book as a source.

Excellent condition. Clean pages. Spine no creases. Ship daily M-Sat.!
