Wilton : Wilton Cake Decorating Yearbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Wilton Cake Decorating Yearbook:

5 of 7 people found the following review helpful. The 2005 version is not to be missed!By M. B. likes bakingThis is a catalog of Wilton products, pans, frostings, etc., and how to use them -- both in the traditional way (making a guitar cake out of the guitar pan) and non-traditional ways (making a camping cake out of a guitar pan). Wilton has finally taken notice that cake decorators are using candy and candy clays/fondants to decorate their cakes -- not just your mom's icing roses anymore! The 2005 Yearbook is a wonderful collection of their new products (candy clay, sparkling sugars, etc.) and beautiful, fun, eye-catching cakes using sprinkles, clay, candy, shaped pans, and lots of imagination. My hat goes off to the editors of this 2005 version, it's the best in years!
