**From Wilton Enterprises : Wilton Cookie Exchange** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wilton Cookie Exchange:

Even if you already know how to frost cookies using royal icing, this book is a must for ideas. It shows MANY different ways to decorate common Christmas/Winter shapes (i.e. about 20 different ways to decorate a cookie cut from a star cutter). I have taught a couple of cookie decorating classes and I have recommended this book to my students.0 of 0 people found the following review helpful. Beautiful BookBy LisaMHWilton, as always, comes up with fun and beautiful ideas! There is a lot of inspiration in the pages of this book. They have discontinued it so grab one while you can! Hopefully, a new and more beautiful one will take its place in the near future!

The complete guide to creating the perfect cookie exchange, with delicious recipes, festive cookie designs and fun party ideas.
