For the first time since before Prohibition, home brewing is legal in all 50 states. Now you can cook up community sample swaps, competitions, and in some cases small-scale production at pubs. Give this charming book as a gift or use it as your must-have sourcebook.

About the Author Ted Bruning is an award-winning beer and brewery writer who has been writing on the topic for over 20 years. He spent 13 years working on the Campaign for Real Ale (CAMRA) membership newspaper and was the editor of CAMRA's *What's Brewing* for 8 years. He wrote the books *Historic Pubs of London* and *Historic Inns of England*, the latter of which won the British Beer Writers' Guild Silver Tankard in 2000. He is also the author of *Home Brewing: A guide to making your own beer, wine and cider* (published by the National Trust) and *The Microbrewers' Handbook* (which is now in its fourth edition).
