Tino Rozzo : With Gratitude: A Westerner Cooks Chinese, Japanese, and Korean before purchasing it in order to gauge whether or not it would be worth my time, and all praised With Gratitude: A Westerner Cooks Chinese, Japanese, and Korean:

0 of 0 people found the following review helpful. With Gratitude A Westerner Cooks Chinese, Japanese, and Korean By Customer This book gives the best recipes. Unpretentious, stuff you'll really make. Tino is going to become another TV food legend. I love this book. Great addition. He makes things easy.

This cookbook has been waiting 18 years to be published. Slightly renewed and revamped, this cookbook contains the recipes you want to make. No the obscure stuff you are never going to make. There are traditional Chinese, Japanese, Korean, and Asian-American recipes and dishes. You will cherish this cookbook because you can have fun making every recipe. Written in 1992, It was passed on to many publishers. One publisher said, "This is a very compelling book." One Chinese publisher actually apologized for not being able to publish it. This cookbook has insights never published before. The culinary adventure is more than just recipes, but the authors advice and experiences. He takes a spiritual approach to this art. The Author's personal adventures take him to New York, Philadelphia, Hawaii, And San Francisco. There are no secrets to this cuisine. This book is designed to be a step-by-step approach to simplify your efforts so you find this cookbook fun to use. This will be your favorite book.
